Fall Concert

Leo J. Fick Auditorium

Directed by Serina Jolivet, Scott Lehrke, & Christopher Piela
Diana Pavlyuk, accompanist

From the directors:

Thank you for joining us this evening as we present the work our choirs have accomplished in the first seven weeks of the year! It has been a busy fall, and we are very proud of the hard work, dedication, and enthusiasm our choir members have shown as we've prepared for tonight's performance.

The vision of Edina Public Schools is *for each and every student to discover their possibilities and thrive*. We wholeheartedly believe that participation in fine arts such as music, theater, and visual arts helps students do just that! Through exploring their creative potential in choir, band, orchestra, theater, or visual arts, students gain valuable skills and experiences that can positively impact the rest of their lives. The arts allow young people to tap into their imaginations, think critically, problem-solve, take risks, and develop self-confidence. Our choir students experience the beauty, complexity, challenges, and rewards of performing music together. They learn to push boundaries, uncover hidden potential, express themselves, and take pride in their accomplishments.

We are so proud that Edina Public Schools' robust fine arts programming enables all types of learners to unleash their talents! As you take in tonight's program, please celebrate with us everything that makes music and all arts education so special. When students have rich opportunities for artistic expression, they can truly discover their possibilities and thrive.

We appreciate your presence this evening. To make this concert successful for the performers and enjoyable for everyone in the audience, we ask that you note the following:

- Please silence all electronics, and refrain from using them during the concert.
- Please enter and exit only between songs.
- Please refrain from talking during songs, as well as immediately before and after each piece.
- When the concert ends, please help our custodians prepare the room for the next event by taking this program and any other belongings with you.

Thank you for your respectful cooperation.
