Program Notes

The Choral Music Department of Edina High School strives to introduce students to choral literature which represents the various historical periods and diverse musical cultures of the world. The program this evening includes selections from German, Swedish, Ukrainian, South African, Australian, Hebrew, American, British, and French traditions.

We hope that our performance will assist with cultivating a mutual respect and understanding for the music of the countries represented and a special appreciation for multicultural music.

Edina High School
Choral Music Department

presents a

**Holiday Choral
Concert**

Directed by
David O. Henderson
Diana J. Leland
