Program Notes

The Choral Music Department of Edina High School strives to introduce students to choral literature which represents the various historical periods and diverse musical cultures of the world. The program includes selections from English, German, Estonian, Italian, American, Irish, French, Norwegian, and Hebrew traditions.

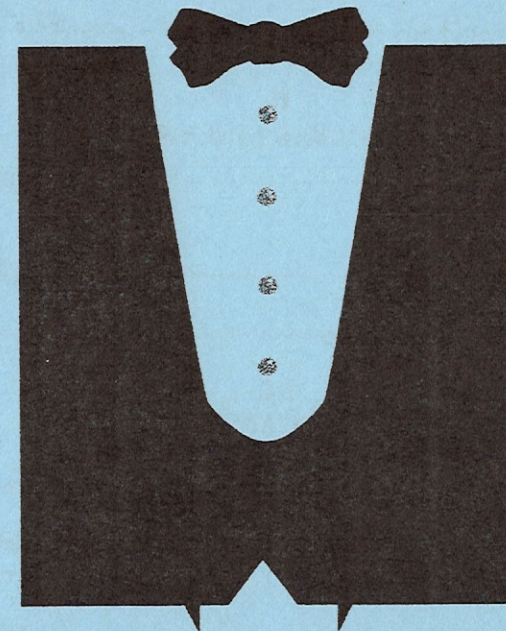

We hope that our performance will assist with cultivating a mutual respect and understanding for the music of the countries represented and also a special appreciation for multicultural music.

2000-2001 marks the 25th anniversary of Edina High School's Varsity Choir. In celebration of this milestone, a choral composition has been commissioned entitled "The Road Not Taken" (poetry by Robert Frost) to be given its world premiere performance this evening. We hope that you enjoy the new choral setting of this poem and rejoice with us in celebrating 25 years of Varsity Choir's existence and success.

Paul Gerike, Commissioned Composer: Mr. Gerike studied at the Hartt College of Music in Hartford, Connecticut before beginning his quest to find his place in the music business. He has taught elementary school music and conducted church choirs. He sang with The Dale Warland Singers for ten seasons and continues to be an active vocal soloist around the Twin Cities. Currently he is kept busy composing and writing music for the Plymouth Music Series and Prairie Home Companion. He also works as a Music Copyist preparing music for performance by the Minnesota Orchestra, the Saint Paul Chamber Orchestra, Libby Larsen, Steve Heitzeg, Philip Brunelle and many others. He lives in Chaska with his wife and two children.
