-NOTES AND ACKNOWLEDGMENTS-

In accordance with state law, and in case of emergency, exits from the auditorium are located on both sides and in the back of the auditorium.

As a courtesy to the performers, we ask you to refrain from taking flash photography and please silence all cellular phones and pagers.

The choral music department of Edina High School strives to introduce students to choral literature that represents the various historical periods and diverse musical cultures of the world.

The program this evening includes selections from African-American, American, Buddhist, English, French, German, Hebrew, Israeli, Italian and West African traditions. We hope that our performance will assist with cultivating a mutual respect and understanding for the music of the peoples represented and a special appreciation for multicultural music.

Lights operated by student members of the Edina High School theater technical crew. Special thanks to the Edina Education Fund for new lighting equipment made possible by Edina parents and community members through their generous contributions to the Performing Arts Initiative of the Edina Education Fund.

Audio and video taping by Doug Geston and Mark Nesse of Westmark Productions, Golden Valley, Minn.

Heartfelt gratitude to the Edina High School studio voice teachers: John Bitterman, Melissa O'Neill, Deb Schlager, Chad Shultis and Linda Smith.

Special thanks to Edina High School administrators Aldo Sicoli, Mary Manderfeld, Eric Nelson and Kimberly Budde; and the Edina High School custodial staff.

Program layout by Travis J. Cross.
