THE STAFF

CHRISTOPHER PIELA, DIRECTOR
*VARSITY SSA, 9TTB CHOIR, CONCERT CHOIR,
TREBLE CHORUS, CHAMBER SINGERS*

Christopher is in his 17th year at Edina High School and his 27th year in the District. He earned his B.A. in Music Education from Gustavus Adolphus College and his M.A. in Curriculum and Instruction from Minnesota State University, Mankato. He has served in various leadership positions for the American Choral Directors Association of Minnesota and was an original member of World Voices/Singers in Accord. In addition to directing, he is an active composer and arranger. He resides in Edina with his wife Melissa, their two children Lauren, 19, & Andrew, 16.

SCOTT LEHRKE, DIRECTOR
VARSITY TTB, CANTEMUS, 9TTB CHOIR, MEN'S CHORUS, TTB ENSEMBLE

This is Scott's eighteenth year directing vocal music in Edina Public Schools, where he teaches choirs at EHS, and also serves as vocal director for EHS musical theater productions. He graduated magna cum laude with a Bachelor of Music in Music Education from St. Olaf College, and earned a Master of Arts in Music Education from the University of St. Thomas. Scott's teaching expertise and research is in the changing male voice, with particular interest in development of tenor-bass choirs. When not at EHS, he's probably at home in St. Louis Park, drinking coffee, and enjoying the kitten antics of Hazy and Charleston.

SERINA JOLIVETTE, DIRECTOR
BEL CANTO, 9SSA CHOIR, TREBLE CHORUS, SSA ENSEMBLE

Serina is in her fourth year with Edina Choirs, her thirteenth year teaching high school choirs. Previous posts include Edgewood High School (Madison, WI), Sioux City East High School (Sioux City, IA), and Madison West High School (Madison, WI). In addition to traditional classroom choirs, Serina has worked with festival choirs, a cappella groups, show choirs, and musicals. Originally from Onalaska, WI, she received her Bachelors of Music Education from the University of Wisconsin-Madison, where she majored in both Choral/General Music Education and Spanish Language. She earned her Masters of Music Education with an emphasis in choral conducting at the University of St. Thomas. When not directing choirs, Serina enjoys spending time with friends and family, and her mini-goldendoodle, Jovie.

DIANA PAVLYUK, CHOIR ASSOCIATE & PIANO ACCOMPANIST

This is Diana's first year working with the choirs at Edina High School. She earned her B.A. Piano Performance degree from the University of Minnesota. Playing piano from an early age, she found a passion for music at her church where she ended up accompanying choirs for 15 years. Along with that, she loved singing, participating in ensembles, collaborating with other musicians, arranging music, and of course, performing. When not working with the lovely directors and students of EHS, she teaches at her home piano studio. She loves all kinds of exploring and being outdoors with her husband David and kiddos, William (4) and Giavanna (1). She just moved back to Eden Prairie and can't wait to enjoy the summer ahead!

MELODY SNYDER, HAPPENIN' BAND DIRECTOR

This is Melody's 16th year of teaching and 7th year in Edina. Aside from her work with the Valley View band students, Melody is an assistant director for the EHS Marching Band and an instructor for the Edina Summer Band program. Melody received her undergraduate degree from Winona State University and her graduate degree in music education from the University of St. Thomas. For ten years, Melody served in the 34th Infantry Division Army National Guard Band based out of Rosemount, Minnesota. As a member of the guard band, she performed for dignitaries such as the Vice President of the United States and the Governor of Minnesota. She was a vocal soloist for the Minnesota Twins, Vikings, Golden Gophers, Timberwolves, Swarm, and Wild teams and also performed with the Saint Paul Chamber Orchestra. Melody resides in Edina with her daughter Cadence who, of course, also loves music.

MEGAN KELLY HUBBELL, CHOREOGRAPHER

Megan Kelly Hubbell is a musical theatre graduate of Millikin University with a dance minor. She works as a voiceover talent, on camera, and on stage throughout the Twin Cities. You might recognize her as Jennifer from Rogers who recently bought a new car or the lady in that My Pillow commercial. She directs and choreographs for many schools and theaters across the state including Benilde-St. Margaret schools, Armstrong HS, St. Paul Conservatory for Performing Artists, Eden Prairie HS, Eagan HS, and Children's Theater Company. She is delighted to be celebrating her 10th year choreographing for Edina HS choirs.

ELLY STAHLKE, CHOREOGRAPHER

Elly grew up dancing both competitively and non-competitively at various Twin Cities dance studios. She graduated from the University of Minnesota, Twin Cities, studying Theatre Arts and Dance, finishing with a Bachelor of Arts in Theatre Performance. Elly is currently a teaching artist in various capacities throughout the Twin Cities. She teaches and choreographs for several studios in the area, as well as teaching theatre and dance for several companies like Chanhassen Dinner Theatres and Hennepin Theatre Trust. In addition to theatre and dance, Elly also enjoys making and teaching music and visual art. Elly is excited to share her passion with the students at EHS!

DR. BEN FRANSKE, PRODUCTION MANAGER & AUDIO ENGINEER

Ben is excited to be continuing his 23 year streak with working on choir spring concerts, something he has looked forward to each spring since his days as an Edina student. In addition to his full-time job as a professor of computer network & cybersecurity he works as a technology and production consultant. Ben handles a variety of tasks including making sure that the various audio, video and computer systems used in the show are configured and operating correctly as well as serving as an audio engineer. Along with other volunteer work, Ben is active in the Minnesota Streetcar Museum at the Como-Harriet Streetcar Line! He and his wife Patricia are expecting their first child in September and he especially wishes to thank Patricia for all her support and patience with his myriad of interests and putting up with a house full of equipment!

GRANVILLE P. ASHLING, PRODUCTION MANAGER & LIGHTING

Granville is happy to be returning to Edina High School for Happenin' and Current Jam. He is the production manager and lighting designer of the show. He started his career at Edina as a student and now is the designer for Crescent Moon Productions. He has also done lighting work with Prince, Wynonna Judd, The Office of the Dalai Lama, Cloud Cult, while locally he has worked with Minneapolis Downtown Council, Holidazzle, and Living Word. Some of his broadcast producer credits include The Winners Way Broadcast, The Winners Minute, and The Wellness Minute.
