SPRING SING

FRESHMEN EDITION

Thursday, May 5 7:00PM Fick Auditorium

FROM THE CHOIR STAFF...

Welcome to Spring Sing 2022...the "Freshmen Edition!" The last time we were able to host a live audience for this concert was in May 2019, and those choir members are now seniors about to graduate! Lots of time has passed and much has changed, but if you ask them, they can still remember which songs they sang, what costumes they came up with, and probably can still bust a move on a good amount of the ninth-grade choreography. The point is this: EHS spring concerts are much-loved traditions creating memories that stick with our students long after the final bows. We're thrilled to finally perform a full Spring Sing--Freshmen Edition concert to an enthusiastic live audience once again! Thank you for joining us tonight, and please accept our gratitude for the encouragement you offer these ninth-grade singers, as well as your support of the performing arts at Edina High School. Enjoy the show!

THE SPRING TRADITION...

Spring Sing is our annual ninth-grade pops program, part of the long Edina tradition of lively spring choral concerts. In the spring of 1973, Bill Hughes and his Edina-West Concert Choir presented Current Jam for the first time. It was an opportunity for the choir to perform pop arrangements, and to showcase soloists and small groups. Over the years, the younger Edina choirs developed concerts following a similar format. Happenin' began in 1976 as the Edina-West Varsity Choir's spring show. Today, with Valley View and South View Middle Schools including programs inspired by elements of Current Jam, our sixth through twelfth grade choir students continue the 49-year tradition of singing and dancing together, the Edina version of show choirs, and the perfect opportunity to showcase the diverse talents in our choirs.

JUST A FEW REMINDERS...

To make this concert successful for the performers and enjoyable for everyone in the audience, we ask that you note the following:

- Please silence all electronics, and refrain from using them during the concert.
- Please enter and exit only between songs.
- Please refrain from talking during songs, as well as immediately before and after each piece.
- When the concert ends, please help our custodians prepare the room for the next event by taking this program and any other belongings with you.

Thank you for your respectful cooperation.
