You are the key to a new Fick piano

Thank you for joining us for this year's annual **Winter Jubilee!** An event like this is not only a wonderful way for us to celebrate the combined talents of our fabulous music department, but also an amazing opportunity for our students to share and enjoy the talents of their respective performing ensembles.

In addition to the musical rewards and educational benefits of this concert, it has also been a way for us to raise funds as a music department to maintain and enhance our Fick auditorium performance space. In years past we have successfully raised enough money to purchase a new acoustical shell, a set of LED lights and money to make improvements to our sound and lighting system. This year our goal is to raise enough funds to purchase a Concert Grand piano that will live in Fick auditorium and be shared by all the performing ensembles. This is an important step in building a professional performance space for our collective ensembles to share.

We are asking for **your help** in the form of individual donations to fund the purchase of a new grand piano for Fick Auditorium. Please consider making a donation earmarked '**PIANO**' to your band, choir, or orchestra boosters. In addition to your kind donation, all ticket proceeds will go towards funding the piano purchase with additional funding sources being past jubilee funds, parent council, Ed Fund and EHS building funds. With your generosity, together we can ensure that Fick Auditorium has the infrastructure to serve our students and community for years to come.

Thank you again for being a part of our **Winter Jubilee** tradition and for your generous and gracious support of our music programs. Edina Public Schools is a very special place and offers our students exemplary experiences academically, athletically and as you'll hear tonight- in the Arts! Thank you for being a part of that and for joining us tonight.

Warm Holiday wishes to all of you, from all of us!

Nicholas Gaudette, Edina Concert Orchestra
Paul Kile, Edina Concert Band
Christopher Piela, Edina Concert Choir

Fine Arts Department

CHOIR

More than 500 students sing in the Edina High School Choral program, a department comprised of seven curricular choirs meeting during the day, four extra-curricular ensembles providing students an additional singing opportunity outside the school day, and an early-morning, weekly Men's Chorus open to all male singers in the high school and local community. The curricular choirs include 9th Grade SSA (soprano/alto), 9th Grade TTB (tenor/bass), Varsity SSA (soprano/alto, grades 10-12), Varsity TTB (tenor/bass, grades 10-12), Bel Canto (advanced soprano/alto, grades 10-12), Cantemus (advanced tenor/bass, grades 10-12) and Concert Choir (advanced mixed chorus, grades 11-12). A close partnership between middle and high school programs ensures the development of comprehensive, lifelong musical skills for all singers.

BAND

The Edina High School band program consists of nearly 500 students in grades 9 through 12. There are five high school concert bands: a concert band, two sections of varsity band, one section of a symphonic band, two sections of 10th grade bands, and four sections of 9th grade band. The 10-12 graders form the Edina "Hornet" Marching Band in the fall. There are 6 extra-curricular jazz bands, two pep bands, and numerous excellent chamber ensembles. Auditions are held annually for placement in all the high school bands. Musical ability and grade level, along with a strong desire to achieve excellent musical results, are the primary factors in determining placement in bands.

ORCHESTRA

The Edina High School Orchestra Program consists of four orchestras across grades 9-12. The curricular ensembles include two sections of 9th grade Repertory Orchestra, Sinfonia Orchestra, Varsity Orchestra and Concert Orchestra. Select students from the EHS Concert Band team up with the Concert Orchestra once a week to dive into symphonic works for full orchestra. Auditions are held at the end of each year for our Varsity and Concert Orchestra. Two extra curricular audition based chamber orchestras meet outside of the school day. A yearly district concert in February features a side by side performance of Concert Orchestra and district 5th graders. This years concert on February 16th will include over 650 string students across grades 5-12 in the Edina Public Schools district.
