PROGRAM NOTES

The Choral Music Department of Edina Senior High School attempts to expose students to choral literature representative of the various historical periods and different musical cultures of the world. The program this evening will include selections from German, English, Italian, Russian, Dutch, French, Israeli, and American composers. It is hoped that the music performed will help cultivate a mutual respect and understanding for the music of the composers and the countries they represent on the part of the students and the listening audience.

Paul E. Oakley is the Music Director and Conductor of the Bach Society of Minnesota, where he is also the Music Director of the Northstar Choral Festival. Mr. Oakley is also the Organist-Choirmaster for St. Paul's Episcopal Church in Minneapolis. Mr. Oakley also well known in the Edina area for his excellent musical work at Christ Presbyterian Church in Edina.

Julie Swanlund, daughter of Cyndi and Eric Swanlund of Edina, is five years old and attends kindergarten at Edina Highlands Elementary School. This is not Julie's first time on stage. She also sang "It's a Small World" at the Trails End Lodge at Fort Wilderness in Walt Disney World. Julie enjoys playing the piano and singing to her mini doxies and to her kitty.

A special thank you to Hendricks Church Organ Systems of Edina for a reduced rate in the rental of the Baldwin Organ used on stage this evening.
