## PROGRAM NOTES

*The Choral Music Department of Edina Senior High School attempts to expose students to choral literature representative of the various historical periods and different musical cultures of the world. The program this evening will include selections from German, English, Italian, Russian, Dutch, Spanish, Norwegian, Israeli, and American composers. It is hoped that the music performed will help cultivate a mutual respect and understanding for the music of the composers and the countries they represent on the part of the students and the listening audience.*

*Randi Grundahl, Varsity Choir Director. Randi graduated from St. Olaf College in Northfield, Minnesota in May of 1996 and received a Bachelor of Music Education degree. She sang in the St. Olaf Choir for two years under the direction of Anton Armstrong and travelled to New York and Dallas on concert tours. She feels extremely lucky to be here, in Edina, and teaching with Dr. Peterson. In her "spare time" she conducts and assists with five community choirs and has three sections of seventh grade choir at Valley View Middle School. She has ten choirs, in all, and is loving every minute.*

*Karen Ouren, Accompanist. Karen Ouren recieved her B.S. degree in Music Education from Winona State University. A former band and vocal director, she is currently on staff at EHS as the choral accompanist and assistant to the bands. She freelances as an accompanist in the metro area and is currently the vocal director and pianist for the EHS musicals. Prior to coming full-time to EHS Ms. Ouren was accompanist for the 3M women's chorus in St. Paul. Karen is in her fourth year with the Edina Schools and resides here with her family. We welcome Karen to our Music Staff at Edina.*

*Laurie Leigh, Harp. Laurie is a graduate of Edina High School and was a member of the Concert Choir. She graduated from Indiana University School of Music with a degree in harp performance. Her professional career has taken her to Tokyo, Osaka, and throughout the Caribbean on a cruise ship. At present, Laurie plays harp in the Twin Cities for a variety of events, and teaches private harp and piano lessons. We welcome Laurie back to Edina, and look forward to performing our choral selections with harp accompaniment.*
