American Choral Directors Association Advocacy Resolution

Whereas the human spirit is elevated to a broader understanding of itself through study and performance in the aesthetic arts; and

Whereas serious cutbacks in funding and support have steadily eroded state institutions and their programs throughout our country;

Be it resolved that all citizens of the United States actively voice their affirmation and collective support for necessary funding at the local, state and national levels of education and government to ensure the survival of arts programs for this and future generations.

Instrumentalists

Violin: Linnea Bullion

Flute: Annika Grangaard

Program Notes

The choral music department of Edina High School strives to introduce students to choral literature which represents the various historical periods and diverse musical cultures of the world. The program this evening includes selections from French, Jewish, American, English, Japanese, and Zimbabwean traditions.

We hope that our performance will assist with cultivating a mutual respect and understanding of the music from the many countries and cultures represented this evening.
