Welcome from the Directors,

Thank you for being a part of our 1st Annual Winter Jubilee! We are looking forward to showcasing the combined talents of our Edina High School Thespians, Concert Choir, Symphony Orchestra and Concert Band tonight. We've been wanting to do a combined concert of this nature for quite some time so that our students and families could experience the depth and talent of our entire performing arts program on one night. It only seemed logical to do it in December so we could capture the spirit of the season and share it with all of you - our most ardent supporters! A jubilee is a celebration, and we hope you feel the celebratory spirit tonight.

In addition to the educational benefits this concert has for our students and the wonderful music we all get to enjoy tonight, we are pleased to commit the profits from this concert to the enhancement and advancement of Fick Auditorium. This investment will benefit our performing ensembles for years to come. While an aging and widely-used facility has many needs, this year we are focused on the purchase of a new acoustical shell. You can read more on the "Can you hear me now?" page of the program and use the enclosed envelope to make a tax-deductible donation.

Thank you again for being a part of our 1st Annual Winter Jubilee. We are hoping this event will become a beloved tradition for years to come. Edina Public Schools is a very special place, and it offers our students exemplary experiences in academics, athletics, and, as you'll hear tonight, in the performing arts! Thank you for being a part of tonight's celebration and for your continued support of all of our programs. Enjoy the show!

Happy Holidays to all of you from all of us,

*Sarah Duffy - Orchestra
David Henderson - Choir
Paul Kile - Band
Anthony Matthes - Theater*

Can you hear me now?

In 1972, when Edina High School opened, Fick Auditorium was outfitted with an acoustical shell to enhance the sound for school and community concerts. This shell has served us well for over 40 years, but its time has come and it must be retired. The current shell has worn-out and irreplaceable parts and has become a safety hazard.

Ticket proceeds from this evening's concert will go directly towards the purchase of a new shell. A new shell will not only continue to enhance the sound in Fick Auditorium but will also be safe for us to use and will be portable for movement to EPAC and other spaces—a feature that our current shell has never offered. We anticipate a new shell to serve us for decades.

In addition to ticket proceeds, other funding sources include Edina High School, our booster organizations, Parent Council and the Ed Fund. Tonight, we are also asking for **your help** in the form of **individual donations** to fund the purchase of a new acoustical shell. **Please** consider giving to this much needed purchase by using the enclosed envelope to make a tax-deductible donation today that will benefit student performers for years to come!
