### **CHOIR**

The Choirs of Edina High School are comprised of 3 co-curricular ensembles. Varsity Choir is a non-auditioned ensemble comprised of mostly sophomores. Bel Canto Choir is made up of junior and senior women. Concert Choir is auditioned juniors and seniors. Each large ensemble has a select small group chosen by audition. We also have a Men's Chorus that meets before school consisting of any student who wants to sing and adult members of the community.

### **BAND**

The Edina High School band program consists of more than 340 students in grades 10, 11, and 12. There are three high school concert bands: a concert band, two sections of varsity band, and two sections of a symphonic band. All three bands form the Edina "Hornet" Marching Band in the fall. There are two extra-curricular jazz bands, three pep bands, and numerous excellent chamber ensembles. Auditions are held annually for placement in all the high school bands. Musical ability and grade level, along with a strong desire to achieve excellent musical results, are the primary factors in determining placement in bands.

### **ORCHESTRA**

The Edina High School Orchestra program consists of three curricular ensembles and one select co-curricular ensemble, the Chamber Orchestra. The three curricular ensembles – Philharmonic, Varsity, and Symphony - meet daily and perform at various concerts and events throughout the year. Select students from the EHS Concert Band combine with the Symphony Orchestra once a week to focus on full orchestra repertoire. Auditions for the curricular ensembles are held each spring. Auditions for the Chamber Orchestra are held in the fall.

### **THEATER**

Over 200 students are involved in the theatre program. Many work and learn behind the scenes on such things as set construction, costumes, make-up, lighting, or publicity. Student crews run all the scene changes and sound and lighting equipment. Community interest and support has enabled us to reach our goals of being a nationally recognized tradition of theatre excellence! Theatre encourages our students to develop the knowledge, skills, and attitudes necessary to be successful individuals throughout their lives. Each student is developing self-confidence, self awareness, initiative, responsibility, dedication, leadership, creative thinking, problem solving, goal setting, time management, group dynamics, and group decision-making skills.
