Tidings of Comfort and Joy...

Thank you **so much** for being with us for our 7th Annual Winter Jubilee! You're in for a real treat as we showcase the amazing talents of our premier music ensembles- Concert Choir, Concert Orchestra, and Concert Band. We're thrilled with the past success of this concert and are proud to include this event in our concert season!! An event like this is not only a wonderful way for us to share with you the combined talents of our top music ensembles, but also an opportunity for our **students** to experience the joy of performing together with other talented musicians at Edina High School.

While it is no secret that Edina is recognized for its academic excellence and State Championship athletics, it is also home to an award-winning music department. Our music programs have achieved local, state, national and international accolades and have a reputation for high quality performances as well as a rich and rewarding curriculum. For decades the music ensembles in Edina have been a beacon of excellence and continue to grow and earn praise. It is no exaggeration to say that Edina's long tradition of excellence in the arts sets us apart from the rest. This of course is no accident due in part to your amazing support and the quality of our elementary, middle school and high school music programs. Edina boasts strong and robust elementary classroom music classes, an excellent 5th grade band and orchestra program, vital and strong middle school offerings in band, orchestra, and choir and a high school music program rich with student opportunities, involvement, and excellence. What you hear and see in this concert is a culmination of years of hard work and dedication beginning at the elementary level, growing through the middle years and coming to full fruition on the concert stage in front of you.

Thank you again for being a part of our Winter Jubilee tradition and for your generous and gracious support of all of our programs. Edina Public Schools is a very special place and offers our students exemplary experiences academically, athletically and as you'll hear with this concert- **musically!** Thank you for being a part of that and for joining us.

Happy Holidays to all of you, from all of us!

CHOIR

More than 500 students sing in the Edina High School Choral program, a department comprised of seven curricular choirs meeting during the day, four extra-curricular ensembles providing students an additional singing opportunity outside the school day, and an early-morning, weekly Men's Chorus open to all male singers in the high school and local community. The curricular choirs include 9th Grade SSA (soprano/alto), 9th Grade TTB (tenor/bass), Varsity SSA (soprano/alto, grades 10-12), Varsity TTB (tenor/bass, grades 10-12), Bel Canto (advanced soprano/alto, grades 10-12), Cantemus (advanced tenor/bass, grades 10-12) and Concert Choir (advanced mixed chorus, grades 11-12). A close partnership between middle and high school programs ensures the development of comprehensive, lifelong musical skills for all singers.

BAND

The Edina High School band program consists of more than 500 students in grades 9 through 12. There are five high school concert bands: a concert band, two sections of varsity band, one section of a symphonic band, two sections of 10th grade bands, and four sections of 9th grade band. The 10-12 graders form the Edina "Hornet" Marching Band in the fall. There are 6 extra-curricular jazz bands, two pep bands, and numerous excellent chamber ensembles. Auditions are held annually for placement in all the high school bands. Musical ability and grade level, along with a strong desire to achieve excellent musical results, are the primary factors in determining placement in bands.

ORCHESTRA

The Edina High School Orchestra Program consists of four orchestras across grades 9-12. The curricular ensembles include two sections of 9th grade Repertory Orchestra, Sinfonia Orchestra, Varsity Orchestra and Concert Orchestra. Select students from the EHS Concert Band team up with the Concert Orchestra once a week to dive into symphonic works for full orchestra. Auditions are held at the end of each year for our Varsity and Concert Orchestra. Two extra curricular audition based chamber orchestras meet outside of the school day for grades 9-10 and 11-12. Repertory and Concert Orchestras will team up to perform a side by side concert in conjunction with the elementary and middle school orchestra programs. This collaboration creates a welcoming transition as students cross the bridge from middle school and high school.
