PROGRAM NOTES

The Choral Music Department of Edina Senior High School attempts to expose students to choral literature representative of the various historical periods and different musical cultures of the world. The program this evening will include selections from German, English, Italian, Russian, Dutch, Spanish, Norwegian, Israeli, and American composers. It is hoped that the music performed will help cultivate a mutual respect and understanding for the music of the composers and the countries they represent on the part of the students and the listening audience.

The **Edina Men's Chorus** has been invited to perform at the North Central American Choral Director's Convention in Minneapolis next March. This is a great honor for this unique choir. We are still looking for new student or adult members to join this group.

The senior soloists performing tonight were selected through audition. Over 130 students are taking private lessons at Edina High School this year. These lessons and the staff of excellent private teachers are extremely important to our program and the individual growth of our students. A special thanks to the parents and students that support this program, and to the wonderful staff of private voice teachers in Edina.

Edina Voice Staff: David O. Henderson, Brent Johnson, Jim Miller, Deb Schlager, Marcia Laningham, Charlene Rossin, Linda Smith, and Mary Kirchner.

Two of the soloists for the **Men's Chorus** are staff voice teachers, David O. Henderson and Brent Johnson. David has his Doctorate of Musical Arts from the University of Minnesota, and sings with the Plymouth Music Series. Brent is a member of the National Lutheran Choir, and has his degree in music from Bemidji State University. Rich Rosch is the father of Concert Choir member Emily Rosch, and has had two sons in Concert Choir in the past. Richard was a member of the original company at Chanhassen Dinner Theatre, and now sings with the Edina Chorale.
