Recording Update

This year we are doing a compilation recording
much the same as the Middle Schools

Please watch for information as we develop it

We will send out emails and create order forms
when we know the cost

Program Notes

The Choral Music Department of Edina High School strives to introduce students to choral literature which represents the various historical periods and diverse musical cultures of the world. The program this evening includes selections from American, South African and Japanese cultures. We hope that our performance will assist with cultivating a mutual respect and understanding of the cultures represented this evening.
