**FROM
THE** *Welcome*
DIRECTORS

Tonight's program was never intended to be a Valentine's Day concert. As luck would have it, the calendar gave us February 14 on this particular Monday evening to present our Winter Concerts. You won't hear perfectly-themed "heart" or "Cupid" tunes to celebrate the holiday. Instead, we hope the love that's most obvious in this concert is present in the performances:

- The love of working together to create music that none of us could accomplish on our own.
- The love of performing, and how much means to everyone after missing it through the bulk of 2020-2021.
- The love, support, and encouragement you provide these young people by your presence here tonight.

Thank you for spending part of your Valentine's Day with us as our students showcase their musical growth and accomplishments yet again this year.

We appreciate your presence this evening. To make this concert successful for the performers and enjoyable for everyone in the audience, we ask that you note the following:

- Please silence all electronics, and refrain from using them during the concert.
- Please enter and exit only between songs.
- Please refrain from talking during songs, as well as immediately before and after each piece.
- When the concert ends, please help our custodians prepare the room for the next event by taking this program and any other belongings with you.

Thank you for your respectful cooperation.
