Class of 2020...

We know this wasn't the spring you expected.

We missed your dance moves and your wacky costumes.

Fick was silent, absent of your energetic singing,
no crowds in the seats to cheer.

It's been disappointing, to say the least.

But, Class of 2020...

If ever there was a group to overcome obstacles
and conquer disappointment...it's you!

Class of 2020...

We've seen it in you:

*tenacity, resilience, commitment,
creativity, passion, and grit.*

Class of 2020...

Your greatest performance isn't limited
to Fick Auditorium, five times in May.

You see, we've been in the front row, cheering for you all along,
and we know your greatest performance
is an encore that's yet-to-come.

With much love and best wishes,

Christopher Piela, Scott Lehrke, Serina Jolivette, & Sonja England
