Directed by

Serina Jolivette, Scott Lehrke, & Christopher Piela

Diana Pavlyuk, accompanist

Welcome!

From the directors...

We are so happy you are with us this evening as we present the work our choirs have accomplished in the first seven weeks of the year! It has been a busy fall, and we are very proud of the hard work, dedication, and enthusiasm our choir members have shown as we've prepared for tonight's performance.

Concerts like this - as well as the stellar performances of our bands, orchestras, and thespians - don't happen just anywhere. They are not simply the product of hard work, nor do they result solely from talented performers. The Edina performances we've all come to expect and appreciate could not exist without the decades of support from a community that has consistently valued the performing arts as a crucial part of our students' education, growth, and self-expression.

We are extremely proud to be part of a K-12 music program that received the 2022 Best Communities for Music Education designation from the NAMM Foundation, a significant achievement that we can all share! As you take in tonight's program, please celebrate with us everything that makes music education so special. Thank you for your support!

We appreciate your presence this evening. To make this concert successful for the performers and enjoyable for everyone in the audience, we ask that you note the following:

- Please silence all electronics, and refrain from using them during the concert.
- Please enter and exit only between songs.
- Please refrain from talking during songs, as well as immediately before and after each piece.
- When the concert ends, please help our custodians prepare the room for the next event by taking this program and any other belongings with you.

Thank you for your respectful cooperation.

about 9SSA & 9TTB Choirs:

All EHS ninth grade students who take choir are in either our 9SSA or 9TTB Choirs. There is no audition required to be a member of these ensembles. Instead, students of all abilities, backgrounds, and all levels of singing experience come together to begin their four-year journey as members of Edina High School Choirs!

The names of the choirs are taken from common designations of choral music: SSA is for treble voices, meaning Soprano 1, Soprano 2, and Alto; TTB stands for Tenor 1, Tenor 2, and Bass. However, it's important to remember that the human voice develops and changes well into a person's twenties. Typically after several years in high school choirs, our students will have sung multiple voice parts!
