# Welcome!

Dear family and friends of Edina Choirs,

It is with great pleasure that we present the eighth annual combined Winter Choral Concert! The program joins our ninth grade men's and women's choirs from both South View and Valley View with the Edina High School Varsity Choir, demonstrating the transition our vocal music students make from middle to high school.

Each year this concert displays an example of the vitality of music education in Edina Public Schools. We look forward to sharing the work of over four hundred student musicians—the product of a program that defines excellence in music education from our students' earliest years to their day of graduation.

The variety of songs you will hear this evening validate the timelessness, diversity, and power of music. In our rapidly changing world, music uniquely weaves past traditions, present understanding, and the potential of the future in active, engaging ways. Our students are not only developing technical skills of singing, but are also participating in distinct and rich cultural experiences that will impact their lives for years to come.

Though the pride we feel in our students' performances is palpable tonight, the greatest inspiration happens each day in our classrooms: small steps, gradual progress, and the occasional breakthrough add up to remarkable growth. We thank you for encouraging this ongoing process in our students' lives, for sharing in tonight's program, and for celebrating with us the outstanding tradition of music education in Edina Public Schools!

At any concert, please remember that the performers have worked hard on their music and would like to give their best performance. You can help to create a positive performance for the singers, as well as for everyone in the audience:

- ♦ **Make sure all electronic devices are turned off. Please refrain from using them until the concert has ended.**
- ♦ **Unwrap all cough drops before the performance begins.**
- ♦ **As soon as the performers appear, please listen, observe, and do not talk. Talk only when no music is being performed, and talk quietly.**
- ♦ **Calling out, hollering, or whistling is not appropriate for a formal music concert like this. Please show your appreciation with applause only.**
- ♦ **Moving, making noises, singing along, or taking pictures during the music distracts and disturbs the performers. Please refrain from creating any distractions.**
- ♦ **Please exit and enter DURING APPLAUSE ONLY.**
- ♦ **If you bring a small child, please make sure learning about concert etiquette is part of their experience. Kids love to learn new things!**

Thank you for your respectful cooperation!
